### March Bake Sale

Thanks are extended to all of our bakers, buyers and generous donors for your contributions that made our annual Bake Sale a huge success. We were able to raise about \$1,200 which can be used to maintain and improve our recreation amenities. Complimentary coffee provided by the Blue Zone Committee made for a wonderful café style setting for the event.

### March Ladies Luncheon

Sue Mears and I would like to thank the 93 ladies who attended the luncheon at Vergina's Restaurant on February 27<sup>th</sup>. The venue was lovely, the food scrumptious and the wait staff did an impeccable job. Finding a venue to accommodate us during season is difficult, but we hope to have another outing next year. Until we meet again, stay safe and well.

## **President's Corner**

As the 2023-2024 season winds down, I can confidently reflect that it has been a very good one. The seasons that we dealt with the pandemic are now in the rear-view mirror. We always have some issues that we have to deal with (bears, landscaping, irrigation, front gate, etc.) but overall, this season has been a very positive one. Once again, the Activities Team produced and directed a number of successful events (picnics, chili fiesta, bake sale, etc.). The Bocce Committee had a very successful season with many new players joining in the competition and a new championship team (Hawks). The Pool 3 Cabana was constantly booked with a variety of events and activities as well as private parties for a number of different occasions and celebrations. For a community without a clubhouse, we have a tremendous number of activities taking place on a weekly basis.

The Master Board has one meeting remaining on Wednesday, April 17<sup>th</sup> at Pool 3 at 10:00 before we break for the summer. The Master Board's Annual Meeting was held on Wednesday evening, March 20<sup>th</sup> with a large crowd of about 85 owners present. Charlie Ferrara (Tourmaline) was announced as the new president of his association, and Alex DeSanctis was welcomed as the new president of the Turquoise Association. The current Executive Board of Officers was reelected for another year, including myself for my 16<sup>th</sup> year as President.

A number of accomplishments of the past year were highlighted by Property Manager Suzanne Foster, who was recognized enthusiastically by the audience on her 2<sup>nd</sup> anniversary in her position, such as: the many projects completed by our Maintenance Man Roberto Garriga, the signing of a 7-year Comcast renewal contract that will save us about \$29,000 in the current 2024 budget and we will also receive a \$118,000 signing bonus. Suzanne also mentioned the positive reactions to the newly resurfaced tennis/pickleball courts, as well as the recent trimming of the Saw Palmettos on Gabriel Cir. and Belina Dr. as well as behind 164 Belina alongside Lake 1. I advised the residents that there is still a bear presence around the community and we have to be constantly vigilant and aware of them, especially after dark. We haven't had a case yet of a bear being aggressive with anyone or any of your pets, but the key seems to be about disposing of your food waste and putting out barrels and/or putting trash bags in the dumpsters.

On March 26<sup>th</sup> some representatives from Comcast made a presentation to about 75 residents at the Pool 3 Cabana that was very informative about the use of our X1 system and they also answered many questions about the use of the Xfinity apps on your iPhone or android phones. They also provided a number of tips for our residents which I have listed on page of this newsletter.

Many of you will be leaving soon for the summer and we wish you safe travels and hope to see you back here for the 2024-2025 season! As always, I will keep everyone updated via e-mail about any issues of concern.

## **Treasurer's Report**

2023 is now history and as reported at the annual meeting, we did not have a good year budget wise. This was due to irrigation repairs being \$30,000 over budget and adjustments in the way Resort pays our yearly bills. We are still in good financial shape. We finished the year with \$106,000 in operating Equity, \$354,600 in reserves.

2024 looks much brighter. With the signing of the new Comcast contract, we will start the New Year with a surplus of over \$43,000. \$30,000 is coming from a 6% reduction in cable and internet fees plus an additional \$13,000 per year in income as part of the signing bonus over the next 9 years. That being said, we are trending to be over budget in a few areas for 2024. Those areas are oak tree trimming \$9,000, water usage \$2,000, but that still leaves us a surplus of \$32,000 for the year.

As far as reserves we are starting the New Year with \$354,600 in reserves. We only plan to spend around \$38,000 in 2024 while adding \$102,000 in Contribution plus \$10,000 in interest so we are trending to end 2024 with \$428,000 in reserves. Currently we have CD'S paying as high as 5.5% in interest and Money Market accounts paying 4%. Sue and I will be leaving at the beginning of May. Hope everyone has a great summer. God willing we will see you all in the fall. Thanks, Mike Mears

## COMCAST TIPS

Sapphire Lakes has a “bulk services” contract with Comcast whereby all 590 units receive Internet and Video services that are paid through the maintenance fees. We have fiber optics that were installed 8 years ago and the Comcast X1 system that provides each unit with up to three boxes that have access to 140+ channels and the ability to record up to 150 hours of programming. The remote also has “voice activation” which makes it easy to find channels and/or specific programs or events. The following are some tips that you might find helpful.

For residents who would like the **large button remote** for their X1 boxes, they can call 1-855-270-0379. One will be mailed to you.

Some residents have asked what **devices are compatible with our Xfinity Stream app**. Below is a link to learn more about that:

<https://www.xfinity.com/support/articles/xfinity-stream-app-faqs>

Here is a link to the **Xfinity Mobile** site so that residents can get more information about that product:

<https://www.xfinity.com/mobile/>

This site will provide more information about the **X1 cable boxes and features and benefits** also:

<https://www.xfinity.com/support/articles/xfinity-tv-on-the-x1-platform>

This site gives more information about the **X1 Sports app** that is very helpful in seeing which sporting events are upcoming. So much to do here:

## SAPPHIRE LAKES INFORMATION

### **Front Gate Phone Number**

Some residents have had problems letting visitors in through the front entrance and in some cases they have “blocked” the phone number probably thinking that it was a telemarketer calling. To avoid this from happening, we suggest that you add the “Front Gate” phone number into your contacts on your phone: **239-304-1893**

### Communications

Report any change in **telephone numbers** for updating of the entry gate system as well as the telephone directory, by e-mail, [SFoster@resortgroupinc.com](mailto:SFoster@resortgroupinc.com) and Toni Nicastró @ [tmnicastro@gmail.com](mailto:tmnicastro@gmail.com) Also, please send Suzanne your email address if you are not receiving the periodic email blasts that include community updates.

### St. Matthew's House

We will continue to collect non-perishable items to donate to St. Matthew's House. This wonderful organization prepares meals daily for their residents and many others. They also assist needy families with weekly groceries. Please bring items to donate to our Sapphire Lakes gatherings, such as the picnics. Also, I will deliver donations when you may be cleaning out your cupboards. Your past generosity has been much appreciated. Please contact Sue Mears 248-231-5792 or Nan Foster 508-965-1396.

It is also important to note that every Sapphire Lakes unit has a Comcast account.
