19. Occupancy and Use Restrictions. In order to provide for congenial occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:

19.1 Occupancy. Each Unit shall be used as a single family residence only, except as otherwise herein expressly provided. A Unit owned by an individual, corporation, partnership, trust or other fiduciary may only be occupied by the following persons, and such persons' families, provided that the Unit Owner or other permitted occupant must reside with his/her family: (i) the individual Unit Owner, (ii) an officer, director, stockholder, employee or designee of such corporation, (iii) a partner, employee or designee of such partnership, (iv) the fiduciary or beneficiary of such fiduciary, or (v) permitted occupants under an approved lease or sublease of the Unit (as described below), as the case may be. Occupants of an approved leased or subleased Unit must be the following persons, and such persons' families who reside with them: (i) and individual lessee or sublessee, (ii) an officer, director, stockholder, employee or designee of a corporate lessee or sublessee, (iii) a partner, employee or designee of a partnership lessee or sublessee, or (iv) a fiduciary or beneficiary of a fiduciary lessee or sublessee. Under no circumstances may more than one family reside in a Unit at one time. In no event shall occupancy (except for temporary occupancy by visiting guests) exceed two (2) persons per bedroom and two (2) persons per den (as defined by the Association for the purpose of excluding from such definition living rooms, dining rooms, family rooms, country kitchens and the like). The Board of Directors shall have the power to authorize occupancy of a Unit by persons in addition to those set forth above. The provisions of this subdivision 19.1 shall not be applicable to Units used by the Developer for model apartments, sales offices or management services.

As used herein, "family" or words of similar import shall be deemed to include a spouse, children, parents, brothers, sisters, grandchildren and other persons permanently cohabiting the Unit as or together with the Owner or permitted occupant thereof. As used herein, "guests" or words of similar import shall include only those persons who have a principal residence other than the Unit. Unless otherwise determined by the Board of

Directors of the Association, a person(s) occupying a Unit for more than one (1) month without the Unit Owner or a member of his family being present shall not be deemed a guest but, rather, shall be deemed a lessee for purposes of this Declaration (regardless of whether a lease exists or rent is paid) and shall be subject to the provisions of this Declaration which apply to lessees. The purpose of this paragraph is to prohibit the circumvention of the provisions and intent of this Section 19 and the Board of Directors of the Association shall enforce, and the Unit Owners comply with, same with due regard for such purpose.

19.2 Children. Children shall be permitted to reside in Units, subject to the provisions of subdivision 19.1, above.

19.3 Pets. Except for fish, each Unit Owner (regardless of the number of, if any, Owners), may maintain two (2) household pets in a Residential Unit, to be limited to domestic dogs not to exceed thirty (30) pounds, or domestic cats, or caged birds, or one (1) fish tank not to exceed 55 gallons, provided they are not kept, bred, or maintained for any commercial purpose and do not become a nuisance or annoyance to neighbors. Unit Owners must pick up all solid wastes of their pets and dispose of such waste appropriately. All pets, including cats, must be leashed at all times when outside the Residential Unit. Pets may not be kept in a Limited Common Element. No pets shall be allowed on any elevators. No reptiles or wildlife shall be kept in or on the Condominium Property (including Units). Without limiting the generality of Section 21 hereof, violation of the provisions of this paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners (as provided in any applicable rules and regulations) and/or to require any pet to be permanently removed from the Condominium Property.

19.4 Alterations. Without limiting the generality of Section 11.2 hereof, no Unit Owner shall cause or allow improvements or changes to any Unit, Limited Common Elements appurtenant thereto or Common Elements, including, but not limited to, painting or other decorating of any nature, installing any electrical wiring, television antenna, machinery, pools, whirlpools or saunas or air-conditioning units or in any manner

OR: 2214 PG: 0572

changing the appearance of any portion of the Building, without obtaining the prior written consent of the Association (in the manner specified in Section 11.1 hereof).

- 19.5 Use of Common Elements. The Common Elements shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.
- 19.6 Nuisances. No nuisances (as defined by the Association) shall be allowed on the Condominium Property, nor shall any use or practice be allowed which is a source of annoyance to residents or occupants of Units or which interferes with the peaceful possession or proper use of the Condominium Property by its residents or occupants.
- 19.7 No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Condominium Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover, relating to any portion of the Condominium Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth. Notwithstanding the foregoing and any provisions of this Declaration, the Articles of Incorporation or By-Laws, the Association shall not be liable to any person(s) for its failure to enforce the provisions of this Section 19.7.
- 19.8 Leases. No portion of a Unit (other than an entire Unit) may be rented. All leases shall be in writing, be approved by the Association and shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles of Incorporation and By-Laws of the Association, applicable rules and regulations, or other applicable provisions of any agreement, document or instrument governing the Condominium. Leasing of Units shall also be subject to the prior written approval of the Association and the Association may deny permission to lease any Unit on any reasonable grounds the Association may find. No lease shall be approved for a term of less than thirty (30)

OR: 2214 PG: 0573

days or one (1) calendar month, whichever is less and no single Unit may be leased more than three (3) times in any one calendar year. The Association shall have the right to require of all tenants that they deposit in escrow with the Association a sum not in excess of one (1) month's rent which may be used by the Association to repair any damage to the Common Elements or other property owned by the Association resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). Regardless of whether or not expressed in the applicable lease, all Unit Owners shall be jointly and severally liable with their tenants to the Association for any amount which is required by the Association to effect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant or for the acts and omissions of his tenant(s) which constitute a violation of, or non-compliance with, the provisions of this Declaration and of any and all rules and regulations of the Association. All leases shall also comply with and be subject to the provisions of Section 20 hereof. This Section shall also apply to subleases and assignments and renewals of leases. No lease approved by the Association shall be amended or modified without the Association's approval.

The Association may charge a lease approval fee not in excess of any amount provided for in the Act (as it may be amended from time to time) as a maximum amount for such fees, but no fee shall be charged in connection with the approval of an amendment, modification or extension of a previously approved lease.

In making its determination as to whether to approve a lessee of a Unit, the Association shall not discriminate on the grounds of race, age, gender, religion, national origin or physical or mental handicap.

- 19.9 Exterior Improvements: Landscaping. Without limiting the generality of Sections 11.1 and 19.4 hereof, no Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of the Building (including, but not limited to, awnings, signs, storm shutters (except hurricane shutters), screens, window tinting, furniture, fixtures and equipment), nor to plant or grow any type of shrubbery, flower, tree, vine, grass or other plant life outside his Unit, without the prior written consent of the Association and the Architectural Review Committee.

OR: 2214 PG: 0574

None of the balconies, walkways or lanai areas that are contiguous to Residential Units and designated as Limited Common Elements under the Declaration may be enclosed, glassed in or screened in, nor may any Residential Unit Owner alter the configurations of such balconies, or hang plants, draperies, screens or other items therefrom.

19.10 Weight and Sound Restriction. Hard and/or heavy surface floor coverings, such as tile, wood, etc., will be permitted throughout the Unit, provided, however, use of a hard and/or heavy surface floor covering in any location within the Unit must be submitted to and approved by the Board of Directors of the Association and also meet applicable structural requirements. Also, the installation of any Improvement or heavy object must be submitted to and approved by the Board of Directors of the Association, and be compatible with the structural design of the building and be adequately insulated from sound transmission. The Board of Directors of the Association may require the review of a structural engineer at Residential Unit Owner's expense. All other areas of the Unit which do not receive the approved hard and/or heavy surface floor coverings, are to receive sound absorbent, less dense floor coverings, such as carpet. These use guidelines are consistent with good design practices for waterproofing and structural design. Owners will be held strictly liable for violation of these restrictions and for all damages resulting therefrom and the Association has the right to require immediate removal of violations.

19.11 Effect on Developer: Association. The restrictions and limitations set forth in this Section 19, except Sections 19.3 and 19.8, shall not apply to the Developer or Master Developer nor to Units owned by or leased to the Developer or Master Developer. The Association shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 19 for good cause shown.
