The following *Rules and Regulations* supplement those contained in the Declaration of Condominium for Sapphire Lakes, a Condominium. They are applicable to all occupants of Residential Units as well as to Residential Unit Owners. Violation of any of the following *Rules and Regulations* are subject to substantial fines.

Pets may not be kept in a Limited Common Element. No pets shall be allowed on any elevators. No reptiles or wildlife shall be kept in or on the Condominium Property (including units). Without limiting the generality of Section 21 hereof, violation of the provisions of this paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine unit owners (as provided in any applicable rules and regulations) and/or to require any pet to be permanently removed from the Condominium Property. A unit owner who plans to be absent during the hurricane season must prepare his unit prior to his departure by designating a responsible firm or individual to care for his unit should the unit suffer hurricane damage and furnishing the Association with the name(s) of that firm or individual. Unit owners are required to remove articles from lanais and walkways, bicycles from racks, and planters, etc. from exteriors.

**Non-exclusive Remedy:** These fines shall not be construed to the exclusive and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any penalty paid by the offending owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such owner.

The *Rules and Regulations* shall apply, however, to all other owners and occupants of Residential Units. The Board of Directors may (but need not) grant relief to one or more unit owners from specific *Rules and Regulations* upon written request for such relief and good cause shown (as determined by the Board in its sole opinion).

**Sapphire Lakes Master Association**  
**Board of Directors**

To: All Sapphire Lakes Property Owners

Please find attached a copy of the 15 Page – “Revised Rules and Regulations”; the one-page “Abbreviated Rules and Regulations”; and the “Sapphire Lakes Gate Access Policy”. These documents were given final approval by the Sapphire Lakes Master Board of Directors on November 17, 2010.

It is very important that you thoroughly read and completely understand these documents. If you lease your property it is your responsibility to make certain that your tenant reads and understands the documents as well. Please remember that you, the unit owner, are responsible if your tenant is in violation.

The Board has committed themselves to “STRICT ENFORCEMENT” of these documents. If the Rules and Regulations are to work for our community then ALL of the Sapphire Lakes Property Owners must be involved in the enforcement. If any property owner witnesses a violation, he/she must provide documentation such as license plate number, vehicle identification, unit number of offender, name of offender if known, etc. The report must be given to the Property Manager who will then initiate the approved policy as outlined on Page 1 of 15 of the Rules and Regulations dated January 1, 2011.

Please note that we have had many major policy changes; however, the most important rule that will now be strictly enforced pertains to PETS/ANIMALS.

We cite Page 8 of 15 – Section 12. PETS E. NO PETS/ANIMALS OVER 30 POUNDS ARE PERMITTED ON SAPPHIRE LAKES GROUNDS AT ANY TIME. ASSOCIATION APPROVED PETS, AS OF NOVEMBER 17, 2010, ARE GRANDFATHERED INTO THIS RULE.

We appreciate your cooperation and compliance.

Sincerely,

Sapphire Lakes Master Board

**18. ENFORCEMENT:**

Failure of an Owner to comply with these Rules and Regulations shall be grounds for action which may include, without limitation, an action to recover sums due for damages, injunctive relief or any combination thereof. The Master Association shall have the right to suspend voting rights and the use of recreational facilities in the event of failure to comply. In addition to all other remedies, in the sole discretion of the Board of Directors of the Master Association, a fine or fines may be imposed upon an Owner for failure of an Owner or his family members, guests, employees, tenants, lessees, agents or invitees to comply with any covenant, restriction, rule or regulation set forth herein or in the Declaration, or in the Articles of Incorporation or in the By-Laws, provided the following procedures are adhered to:

- A. Procedures - Procedures may include but are not limited to appropriate written notification to the Owner/resident in violation of non-compliance with a time period for compliance to occur. The levying of a fine for non-compliance and/or appropriate legal action including towing the vehicle at owner's expense will be in accordance with Florida Statutes.

**Exhibit "C" to Amended and Restated  
Master Declaration of Covenants and Restrictions  
(Rules and Regulations)**

- B. Hearing - Any owner/resident has the right to request a hearing before the Board's Rules and Regulation Infractions Committee in order to seek resolution to the alleged non-compliance.
- C. Authority - This Enforcement Policy shall comply with the provisions of the Florida Condominium Act, Chapter 718, Florida Statutes, and the Master Association's Governing Documents.
- D. VIOLATION LETTER – When a notification of a violation is received, the Sapphire Lakes Property Manager will determine if it is a valid complaint. If so, a letter will be sent informing the homeowner of the violation. The letter will also describe the amount of the potential fine/description of sanction if any and a deadline date when the violation must be corrected. If the homeowner decides to correct the violation, he/she should notify the Property Manager, in writing, indicating the date that the violation has been corrected. The Property Manager will verify that the correction has been made and that it is satisfactory.
- E. HEARING PROCESS – The Sapphire Lakes Infraction Committee is comprised of unit owners who will be responsible for holding a formal hearing with a homeowner who has been notified of a violation of the Sapphire Lakes Rules & Regulations. The party against whom the fine is sought to be levied shall be afforded an opportunity for a hearing after reasonable notice of not less than fourteen (14) days. The homeowner may submit a written request to the Property Manager for a hearing before the Infractions Committee within the time period specified in the violation letter. Failure to do so will forfeit the right to a hearing.

The Infractions Committee will then meet for this hearing with the homeowner present. If the Committee does not agree with the fine, the fine may not be levied. After the hearing, the Infractions Committee will direct the Property Manager to notify the homeowner of the Infractions Committee decision.

No fine will become a lien against a unit. No fine may exceed \$100.00 per violation. However, a fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing, provided that no such fine shall in the aggregate exceed \$1000.00. For a first-time violation homeowner compliance by the deadline date will stop the fine process, but still might require payment of damages (if applicable). For repetitive violations of the same nature, a fine may be imposed immediately, as well as damages. If the violation is corrected for a period of time and the same/similar violation reoccurs, the fine will be levied for each daily occurrence (maximum of \$1000.00) without going through the procedural and appeals steps listed above.

**Exhibit "C" to Amended and Restated  
Master Declaration of Covenants and Restrictions  
(Rules and Regulations)**

The payment of fines shall be the ultimate responsibility of the unit owner, even when the violations for which fines have been levied arise out of the conduct of family members, guests, occupants, licensees, invitees and tenants.

**LEGAL ISSUE** – If the fine is not paid in the allotted time period, the Board will authorize the association attorney to pursue civil action. The association may take the violator to court and ask the court to enforce the fine. If the judgment is in favor of the association, the total amount of the fine plus attorney fees may be awarded.

If a unit owner is delinquent in the payment of maintenance fees or assessments a lien may be placed against the property resulting in a possible foreclosure.

The foregoing Rules and Regulations are designed to protect the Sapphire Lakes Unit Owners and to make living in our community more pleasant and comfortable for everyone.

The restrictions imposed are for the mutual benefit of all.
